Holland 2019:
Two-Day Intensive Workshop with Christian Tortu
Monday, April 29th - Tuesday, April 30th, 2019

In this intensive program, students will take part in creating signature Christian Tortu flowers, learn his methods of creating magnificent bouquets, large-scale statement pieces, and participate in designing a beautiful table together with Christian. On the final day, the group will celebrate over dinner, sitting down at the very tablescape that we designed together using Christian's new tabletop collection from Costa Nova.

We will be working with the most gorgeous flowers that Holland has to offer, under the guidance of this great master of modern design. With one-on-one attention, you will receive a thorough understanding of Christian's approach to creating lush and natural floral designs.

Sunday, April 28th
Arrive in Amsterdam

Upon arrival in Amsterdam, students are invited for a meetup at the famed Hotel Arena. This is a great opportunity to become acquainted with the rest of the group and get ready for the program. Students wishing to arrive earlier should contact FlowerSchool staff to ensure availability.

Hotel Arena is a city hotel extraordinaire. Deeply rooted in Amsterdam, with the Oosterpark at its feet. A place with an urban crowd and a village feel, where the lines between park and hotel, City Centre and Amsterdam East, day and night, work and play, friends and strangers are blurred. The monumental building is a green hideaway where we celebrate the contrasts the city.

Monday, April 29th

10:00am – 1:00pm: The Green Bouquet

Stripping away color to reveal nature, The Green Bouquet is one of the most sophisticated floral designs in modern floristry. In this program, Christian will work with students to make one of his signature designs using the best in Dutch flowers. Designs will be photographed.
